

List of participants for the visit to Düsseldorf during Startup Week Düsseldorf  
(9-11 September 2025)

	<p><b>1. AdsLinkers Sp. z o.o.</b></p>
<p><b>Address</b></p>	<p>Ul. Szczęsna 26, 02-454 Warszawa</p>
<p><b>Website</b></p>	<p><a href="https://adslinkers.com/">https://adslinkers.com/</a></p>
<p><b>Contact person</b></p>	<p>Przemysław Gwarek</p>
<p><b>Telephone</b></p>	<p>+48 570 572 577</p>
<p><b>E-mail</b></p>	<p><a href="mailto:przemyslaw.gwarek@adslinkers.com">przemyslaw.gwarek@adslinkers.com</a></p>
<p><b>Company profile</b></p>	<p>AdsLinkers is a <b>real-time marketing automation platform</b>. The platform's proprietary engine integrates data from various sources (e.g., magazines, market data, weather, sporting events) and enables marketers to respond instantly in advertising campaigns. This allows them to respond to changes in competitors' prices or market trends in real time and eliminates the problem of overspending on unavailable products by automatically promoting those that are again in stock.</p>
<p><b>Partners sought</b></p>	<p>The company is looking for contacts in the following areas:</p> <ul style="list-style-type: none"> <li>• <b>AdTech/MarTech</b> – media agencies, media houses, advertising platform integrators,</li> <li>• <b>E-commerce, retail, and distribution</b> – retail chains, e-commerce platforms, marketplace operators,</li> <li>• <b>FMCG</b> – especially brands running complex advertising campaigns.</li> </ul>
	<p><b>2. Anavena Natalia Ciosek (Ledmeseecom)</b></p>
<p><b>Address</b></p>	<p>Ul. Twarda 18, 00-105 Warszawa</p>
<p><b>Website</b></p>	<p><a href="https://www.ledmeseecom.com/">https://www.ledmeseecom.com/</a></p>
<p><b>Contact person</b></p>	<p>Kamil Bolek</p>
<p><b>Telephone</b></p>	<p>+48 514 529 514</p>
<p><b>E-mail</b></p>	<p><a href="mailto:office@ledmeseecom">office@ledmeseecom</a></p>
<p><b>Company profile</b></p>	<p>LEDMESEECOM combines <b>ultra-thin LED lightboxes with digital behavioral analysis tools to create an innovative light weight advertising system</b>. These very thin (from 12 mm) LED frames display customer content and are equipped with discreet cameras and a proprietary AI module that analyzes viewer characteristics and engagement. Thanks to this approach, companies will be able to use tools available for online advertising, such as real-time campaign effectiveness analysis and optimization in a DOOH (Digital Out of Home) environment.</p>
<p><b>Partners sought</b></p>	<p>The company is looking for contacts in the following areas:</p> <ul style="list-style-type: none"> <li>• <b>retail sector</b> (including clothing stores, grocery stores, electronics and home appliance stores, retail chains, and big-box stores),</li> <li>• <b>HORECA industry</b> (hotels, restaurants, and the entire gastronomy sector),</li> <li>• <b>advertising agencies</b>.</li> </ul>

### 3. CampusAI P.S.A.

<b>Address</b>	Ul. Chmielna 73, 00-801 Warszawa
<b>Website</b>	<a href="https://campusai.pl/">https://campusai.pl/</a>
<b>Contact person</b>	Jakub Bąbelek
<b>Telephone</b>	+48 666 099 918
<b>E-mail</b>	<a href="mailto:jbabelek@campus.ai">jbabelek@campus.ai</a>
<b>Company profile</b>	CampusAI operates at the intersection of EdTech and Artificial Intelligence as a SaaS <b>platform supporting education and digital transformation using generative AI</b> . The platform enables employees, students, and teams to build AI skills through hands-on exercises, ready-made role-specific learning paths, proprietary AI tools, and gamified elements in an immersive 3D world (AI Metaverse), creating a comprehensive upskilling system for non-technical individuals and organizations. It offers solutions for both individual customers (B2C) and organizations (B2B/B2G)
<b>Partners sought</b>	The company is looking for contacts with <ul style="list-style-type: none"><li>• <b>B2B clients</b> (corporations and mid-sized companies in finance, insurance, education, industry, and services), HR/L&amp;D/strategy/innovation departments,</li><li>• <b>Implementation partners and resellers</b> (consulting firms, ICT integrators, public and education sector providers),</li><li>• <b>Universities and educational institutions,</b></li><li>• <b>Funds and investors,</b></li><li>• <b>Public or local government</b> units focused on AI and digitalization strategies.</li></ul>

### 4. Doctor One Sp. z o.o.

<b>Address</b>	Rondo Ignacego Daszyńskiego 2B, 00-843 Warszawa
<b>Website</b>	<a href="https://www.doctor.one/">https://www.doctor.one/</a>
<b>Contact person</b>	Karol Kutnik
<b>Telephone</b>	+48 603 431 034
<b>E-mail</b>	<a href="mailto:karol@doctor.one">karol@doctor.one</a>
<b>Company profile</b>	Doctor.One is a continuous <b>care platform that enables doctors and medical teams to stay in touch with patients between visits</b> . Through secure communication and support from care coordinators, it increases engagement, improves adherence, and reduces administrative burden. For healthcare providers, this means up to a 42% increase in clinical efficiency, while pharmaceutical partners benefit from better adherence, higher patient retention, and stronger treatment outcomes. For patients, Doctor.One provides direct access to a trusted care team, a sense of security, and support when it's needed most.
<b>Partners sought</b>	The company is looking for contacts with: <ul style="list-style-type: none"><li>• <b>Pharmaceutical companies:</b> Medical/PSP, Patient Engagement, Digital, Brand, and Innovation departments,</li><li>• <b>Hospitals and clinics:</b> CMIOs/Medical Directors, department heads, and innovation teams,</li><li>• <b>Funds,</b></li><li>• <b>Insurers/payers:</b> DMP, Digitale Versorgung, and Innovation teams.</li></ul>

## 5. Gridaly Sp. z o.o.

<b>Address</b>	Ul. Nowogrodzka 64/43, 02-014 Warszawa
<b>Website</b>	<a href="https://www.gridaly.com/pl">https://www.gridaly.com/pl</a>
<b>Contact person</b>	Michał Ratajczak
<b>Telephone</b>	+48 696 678 399
<b>E-mail</b>	<a href="mailto:m.ratajczak@gridaly.com">m.ratajczak@gridaly.com</a>
<b>Company profile</b>	Gridaly is a comprehensive <b>B2B event software</b> , covering registration, ticket sales, check-in, and a mobile app that enhances the attendee experience. The platform was created to address the chaos and fragmentation of tools in the event industry. It streamlines all stages of B2B event management – from registration and check-in to participant engagement. Thanks to its modular design, organizers use only the features that meet their actual needs, saving team time and managing the entire process within a single, coherent platform.
<b>Partners sought</b>	The company is looking for contacts with: <ul style="list-style-type: none"><li>• <b>Organizers of conferences</b> and industry or B2B events,</li><li>• <b>Event and marketing agencies</b> executing projects for companies,</li><li>• <b>Universities</b> interested in technologies supporting educational events.</li></ul>

## 6. Invis sp. z o.o.

<b>Address</b>	Ul. Filtrowej 81/27, 02-032 Warszawa
<b>Website</b>	<a href="https://www.inviswearables.com/pl">https://www.inviswearables.com/pl</a>
<b>Contact person</b>	Piotr Muranty
<b>Telephone</b>	+48 604 444 544
<b>E-mail</b>	<a href="mailto:pmuranty@inviswearables.com">pmuranty@inviswearables.com</a>
<b>Company profile</b>	Invis is a company that redefines wearables. It combines classic <b>watchmaking with innovative solutions in payments, access, cybersecurity, and health technology</b> . Their business model includes the sale of smart straps (Invis Strap) and buckles (Invis Buckle) with payment, access, and biometric functions, offered in both B2C and B2B models in collaboration with watch manufacturers. Invis is a fusion of craftsmanship, fashion, and advanced wearable technology.
<b>Partners sought</b>	The company is looking for contacts with: <ul style="list-style-type: none"><li>• <b>Banks and financial service providers</b> with demand for innovative accessories,</li><li>• <b>Sports clubs</b> with demand for club wristbands/belts with payment and stadium access functions,</li><li>• <b>Watch distributors,</b></li><li>• <b>Investment funds.</b></li></ul>

# KOTA

## 7. KOTA Sp. z o.o.

<b>Address</b>	Ul. Siennicka 36/5, 04-393 Warszawa
<b>Website</b>	<a href="https://kota-app.com/">https://kota-app.com/</a> <a href="https://www.linkedin.com/company/kota-space-innovation/">https://www.linkedin.com/company/kota-space-innovation/</a>
<b>Contact person</b>	Justyna Puchalska
<b>Telephone</b>	+48 506 043 286
<b>E-mail</b>	<a href="mailto:justyna.mail@gmail.com">justyna.mail@gmail.com</a>
<b>Company profile</b>	KOTA is an <b>AI system leveraging space-derived technology to optimize living environments</b> . It integrates sensors and smart home systems to create spaces that adapt in real time to users' needs, enhancing their well-being. Their platform analyzes physiological and environmental data in real time, automatically adjusting spatial parameters (light, sound, temperature, smell) to optimize performance and comfort. 27% better sleep, 31% less stress, and 18% higher productivity – validated through rigorous testing in space habitat environments.
<b>Partners sought</b>	The company is looking for contacts in the following areas: <ul style="list-style-type: none"> <li>• <b>Wellness Technology</b> – integration with wearables and health platforms,</li> <li>• <b>Smart Home/Building</b> – building automation systems and IoT,</li> <li>• <b>Corporate Wellness</b> – B2B solutions for offices and corporate spaces,</li> <li>• <b>Healthcare Technology</b> – optimization of hospital and clinic environments,</li> <li>• <b>Space and research institutions</b>.</li> </ul>

# poliwater

## 8. Ligatio P.S.A (Poliwater)

<b>Address</b>	Ul. Bonifraterska 17, 00-203 Warszawa
<b>Website</b>	<a href="https://poliwater.pl/">https://poliwater.pl/</a>
<b>Contact person</b>	Malwina Niedzwiedz
<b>Telephone</b>	+48 793 459 700
<b>E-mail</b>	<a href="mailto:malwina.niedzwiedz@gmail.com">malwina.niedzwiedz@gmail.com</a>
<b>Company profile</b>	Poliwater is an <b>innovative synthetic sleeve cast</b> that hardens upon contact with water or moisture, offering a modern alternative to traditional plaster casts. It features easy application, a ventilated openwork structure, waterproofing for showering and swimming, and is approximately 40% lighter than conventional plaster, providing full injury stabilization with greater comfort and mobility for the patient.
<b>Partners sought</b>	The company is looking for contacts with: <ul style="list-style-type: none"> <li>• <b>Medical sector</b> – orthopedics,</li> <li>• <b>Distributors of orthopedic equipment</b>,</li> <li>• <b>Manufacturers of orthopedic devices</b>,</li> <li>• <b>Investment funds</b> specializing in MedTech solutions.</li> </ul>

## 9. Maelkhron

<b>Address</b>	Ul. Krzyżówki 1A/1, 03-193 Warszawa
<b>Website</b>	<a href="https://www.maelkhron.com/">https://www.maelkhron.com/</a>
<b>Contact person</b>	Gaweł Banasik
<b>Telephone</b>	+48 795 361 365
<b>E-mail</b>	<a href="mailto:banasik.gawel@gmail.com">banasik.gawel@gmail.com</a>
<b>Company profile</b>	Maelkhron <b>designs the most reliable and technologically advanced PCBs for military and industrial applications.</b> The company focuses on innovation, durability, and full compatibility with modern electronic systems. All products are built to strict military standards and operate flawlessly across a temperature range of -40°C to +85°C. The Maelkhron team specializes in mission-critical solutions where stability, speed, and precision are essential. Whether for defense, industrial automation, or custom control systems, their products are engineered to deliver reliability in the most demanding environments.
<b>Partners sought</b>	The company is looking for contacts in: <ul style="list-style-type: none"> <li>• <b>Electronics</b> (PCB manufacturers, system integrators, distributors)</li> <li>• <b>IoT &amp; Embedded Systems</b> (consumer and industrial solutions)</li> <li>• <b>Industrial Automation</b> (factory implementations)</li> <li>• <b>Defense &amp; Security</b> (innovative electronics, communication modules)</li> <li>• <b>VCs &amp; Accelerators</b> (hardware, IoT, deep-tech)</li> <li>• <b>Research Institutes &amp; Universities</b> (R&amp;D projects)</li> </ul>

## 10. METASKILLS sp. z o.o.

<b>Address</b>	Ul. Niedźwiedzia 19/3, 02-737 Warszawa
<b>Website</b>	<a href="https://www.mymetaskill.com/">https://www.mymetaskill.com/</a>
<b>Contact person</b>	Jakub Pędziwiatr
<b>Telephone</b>	+48 605 214 298
<b>E-mail</b>	<a href="mailto:kuba@mymetaskill.com">kuba@mymetaskill.com</a>
<b>Company profile</b>	Metaskills is <b>an innovative training platform (web &amp; VR) that supports the development of interpersonal skills through realistic simulations.</b> Using VR and GenAI, it provides an engaging learning environment, accelerates knowledge acquisition, and enables instant feedback. The platform features realistic 3D avatars and scenarios based on real business situations, allowing safe experimentation and skill development without real-world risks. Companies observe measurable improvements in employee behavior and faster skill acquisition at lower costs compared to traditional training or e-learning. VR users learn faster, feel more confident in their abilities, and are more emotionally engaged in the learning process.
<b>Partners sought</b>	The company is looking for contacts with: <ul style="list-style-type: none"> <li>• <b>HR / L&amp;D departments,</b></li> <li>• <b>Corporate Academy,</b></li> <li>• <b>Sales Excellence / Customer Service teams,</b></li> <li>• <b>Innovation / Transformation / People Analytics teams.</b></li> </ul>

## 11. The Innovations Hub Foundation

<b>Address</b>	Ul. Okrąg 8/10/44, 00-407 Warszawa
<b>Website</b>	<a href="https://www.innovationshub.pl/">https://www.innovationshub.pl/</a>
